

ON THE ROAD TO SUCCESS PASS STUDENTS OF THE YEAR

This opportunity has been a lifesaver. Without PASS, students like me would never be able to graduate. We would all be high school dropouts.
2013: Juan Cenobio (Arkansas)

The chance that PASS has allowed me is a lifesaver. It gets me to have higher-order, more critical thinking and to think outside the box.
2012: Sergio Contreras (Florida)

PASS has helped me to catch up so that I can achieve the required credits that I need to graduate on time.
2011: Abigail Estevas (Washington)
PASS has helped me greatly in regaining all the credits that I needed to graduate.
2011: Juan R. Mendoza (Washington)

My educational goals have really changed in the past couple years. Without PASS, I don't know if I would be graduating at all.
2010: Eulalia "Rubi" Gonzalez (Wisconsin/Texas)

Thank you to the PASS program for helping me gain the confidence and skills that I will need to become a leader.
2009: Bernice Medina (Florida)
