

## Moving Up Arkansas

*Moving Up Arkansas is a fourteen day residential summer school program for migrant students across the State of Arkansas. It is held at the campus of Arkansas Tech University in Russellville, Arkansas. Students are taught by certified teachers and have the opportunity to earn up to one credit hour towards their graduation.*

Amy Montgomery, math teacher, works with a student during Algebra class.

## Who is Eligible

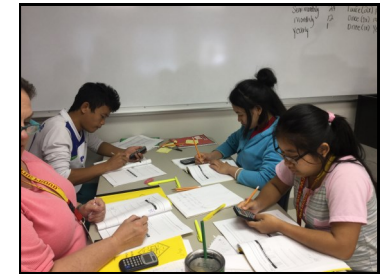

Students who are currently enrolled in the migrant education program.

## What to Expect

Students will arrive on Sunday and classes begin Sunday night. Classes begin every morning at 8:00 am and conclude at 8:00 pm. Each day students are given one hour breaks for lunch and dinner and expected to attend Physical Education for one hour. Students and staff eat in the college cafeteria and stay in dorms on campus. Students are supervised at all times and are not allowed to go anywhere without staff supervision. A program handbook, along with an application and agenda can be found on the website (<http://migrant.k12.ar.us>). Applications are available in English and Spanish.

## Courses Offered

- Algebra 1 & 2; Geometry
- English 9, 10, 11, 12
- History-U.S. & World
- Health
- Civics
- Economics
- Personal Finance
- Other courses may be offered as requested (if instructors are available)
